

Bass Bazuca

Extract your very own dance grooves

An interactive step sequencer-synthesiser and drum loop combo, punch in some combinations, press play and see what happens! Writing a great bassline is an art, to help you on your musical journey, the Bass Bazuca provides quick results.

- 8 step baseline sequencer
- 6 premade drum grooves to choose from
- Fine control over synthesiser timbre
- Easy and colourful interface to help get ideas going
